INCREASED TAX COST
In order to replenish the trust fund, the Department of Revenue increased factors in calculating unemployment rates over recent years, therefore increasing the average unemployment tax cost per employee!

$29,000
WAGE BASE
Montana’s unemployment wage base increased from $27,900 in 2013 to $29,000 in 2014. In the last few years the wage base has consistently increased every year.
